

Women of Faith

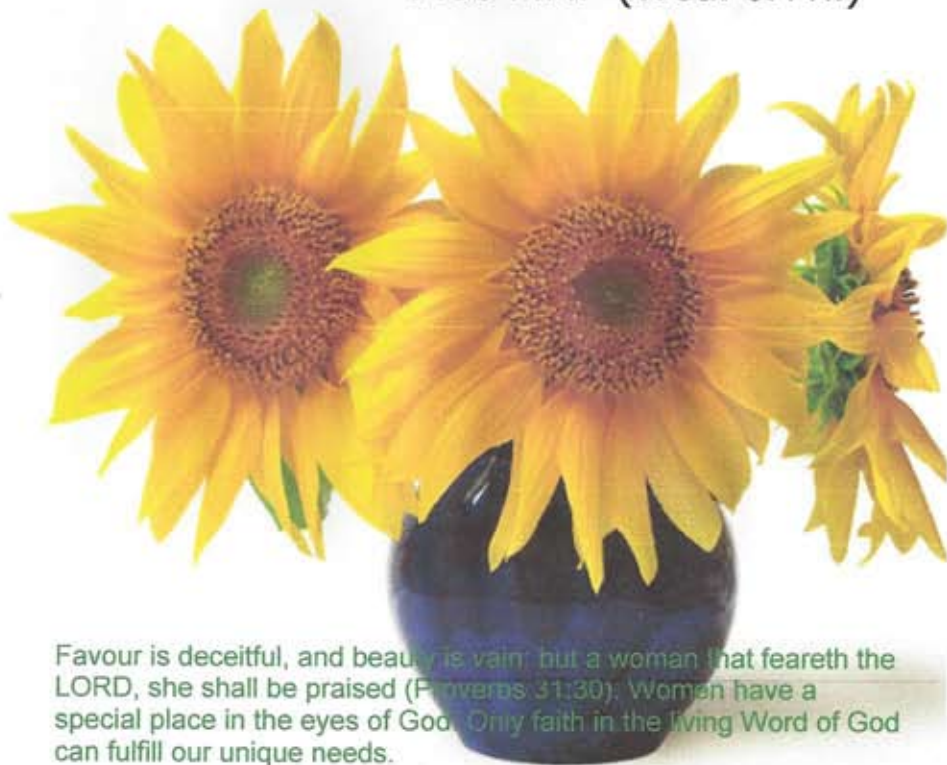

Don't miss out on our Woman of Faith Fellowship meetings. Our aim is to draw women to Christ through the knowledge of the Word of God. Our comfort is in the Word of God. At each gathering, a woman of faith taken from the Bible is highlighted and principles are emphasized: overcoming faith, perseverance, fortitude, loyalty, bearing under our trials. These faith-building messages, coupled with personal testimonies of overcoming life's trials will edify you to spiritually fight the good fight of faith. No matter what obstacles lay in your way, you will find the strength to persevere and fulfill your calling in Christ.

Feel free to drop in on our services and join us in striving to be Women of Faith.

Favour is deceitful, and beauty is vain; but a woman that feareth the LORD, she shall be praised (Proverbs 31:30). Women have a special place in the eyes of God. Only faith in the living Word of God can fulfill our unique needs.
